March 14th 2019 - 19h30 - Oikocredit Fair Trade Conference

Aula Provincie Oost-Vlaanderen - Het Zuid - Gent

We will discuss with some cocoa producers about their future and the prospects of the younger generation. Do fair trade, organic and ethical labels contribute to a living income? The conclusions of a unique inquiry into this matter will be made public. There will be room for personal contacts.

March 15th 2019 - 9h - Academic Session

UGent - Het Pand - Gent

Presentation of a survey conducted among food producers in the South with an opportunity to discuss the results with producers and experts. Do labels contribute to a living income? Does the additional income outweigh the expenses incurred? What suggestions do producers themselves put forward?
